

Welcome

Built in 1892 by a whaling captain, The Fairthorne Bed & Breakfast repeats the award winning formula of historic properties in the picturesque year round seashore resort of Cape May, New Jersey. The Inn is located in the heart of the town just steps to the beach, shopping and dining.

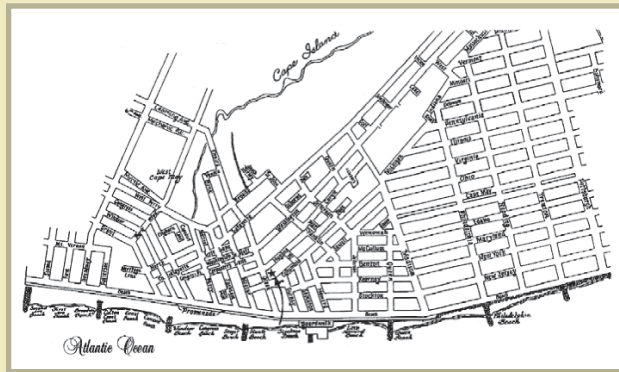

This Colonial revival-style Inn features a gracious wraparound veranda where sumptuous breakfasts are served on pleasant mornings and stress-relieving rockers offer afternoon relaxation. The Fairthorne is beautifully decorated in period style without being too frilly or formal. Fireplaces, luxury linens and robes, feather pillows, whirlpool tubs, beach chairs and bicycles all await your romantic getaway.

Cape May, New Jersey offers historic architecture, sandy white beaches, birding, theater, lighthouse climbing and gourmet dining. It's a perfect place to explore or just unwind.

Directions

The most direct route to Cape May is via the Garden State Parkway which ends in Cape May and becomes Lafayette Street. To reach our inn, continue straight to the second traffic light (Ocean Street) and turn left. Continue straight for two and a half blocks. The Fairthorne is on the left.

If you come to Cape May via the Cape May - Lewes Ferry, follow the signs along Ferry Road to Cape May.
